If you are seeking the perfect blend of space, functionality and privacy - this is it. Offering the versatility of zoned living with 5 spacious bedrooms providing multiple options for family living or home office needs. Centrally located, the bright kitchen features all the necessities for culinary creativity. The rumpus room, complete with built in bar, offers a seamless transition to the expansive entertaining deck overlooking the seemingly endless back garden. If working from home, the outdoor office with split system allows for a separate space to focus or alternatively become an additional teenage retreat/bedroom. Along with extensive parking space, the numerous shedding options offer a multitude of storage, workshop and parking solutions while still leaving plenty of space for kids to play. Whether you're a seasoned tradesperson or simply seeking a peaceful retreat with ample space for hobbies and storage, this property commands your inspection. Don't miss this rare opportunity, call to arrange an inspection and start envisioning the endless possibilities this property has to offer.
