Be prepared to be impressed when making your way into this beautiful family home. The luxurious entertainer's kitchen has been built with practicality in mind. With an unobstructed view of both living areas and the in-ground pool, you'll have peace of mind knowing you can keep an eye on the children. The expansive open-plan living space is filled with an abundance of natural light. The generous sized master bedroom with built-in robes opens to an enclosed veranda opening the potential for an ensuite, nursery or home office, while the remaining two remaining bedrooms enjoy convenient access to the bathroom which features a freestanding shower and separate bath & toilet. Downstairs, the laundry and second bathroom service the inground pool and adjoining undercover outdoor entertaining area, a small enclosed room perfect for a games or bar room all in which sets the stage for weekend gatherings, regardless of the weather. The double garage and enclosed double car carport with electric roller door provide a secure lock-up for tools and toys. A low-maintenance, private yard is the ideal size to ensure your weekends are not tied to lawns and gardening. With the shores of Lake Macquarie less than 500m away, making your morning walk a pleasure. Whether it's taking the kids and the dog to Speers Point Park or going on that Saturday morning stroll to Warners Bay's foreshore cafes for breakfast, there's something to appeal to everybody. In the evenings, Popular Pippi's at the Point is less than 700 metres away for that afternoon beer, wine, or dinner overlooking the water. Call for an inspection today!
