\$435,000

This original 2-bedroom home is situated a stone's throw from Grand Central and the Toowoomba inner-city precinct and your opportunity to create your dream cottage you have always imagined. Currently the third bedroom has been converted to a living space but can easily be transformed back into a bedroom. Boasting a gable character façade and timber chamfer from the street while internally it continues with VJ wall panelling and decorative ceiling rose. This property will suit all renovators, original and authentic, you are able to dream big with this one. Perfect opportunity for the right person willing to take on a dream home project in a standout location. If you have been waiting for the next project, you must not hesitate in checking this property out. Add to this the position being within seconds from CBD, this home is packed with potential. Overall features include:– Block Size 689m²– School Catchments Toowoomba North State School, St Mary's College, St Ursulas College– Minutes to Toowoomba CBD – VJ panelling, ceiling rose– Original character features ready to be restored RealWay Property Partners is proud to present 1 Norwood Street, Toowoomba City to the market.
