**\$460 per week**

This two bedroom home offers you so much space outdoors, with a beautiful garden filled front yard and an open large back yard great as a private oasis. The U shape kitchen with North facing window provides plenty of space for cooking with upright electric cook top and double sink. Large dining space joins the kitchen and again is sun-drenched with north facing windows. Across the entry way is the lounge again with large windows and electric wall heater. The property has 2 bedrooms both with Built in robes and windows out to the large back yard. Bathroom has a separate bath and shower and a single vanity, toilet is separate off the laundry space. Single car garage with gate for secure rear yard. Large undercover rear pergola and deck. Located across from child care and walking distance to local schools, beaches and cafes.
