Boasting plenty of natural light throughout, the main bedroom features an ensuite with a luxurious spa bath, while every bedroom offers built-in robes. The second bathroom is a great family size, with a separate bath and shower, WC, and vanity. The centre of day-to-day life, the kitchen is replete with a handy breakfast bar, double sinks, gas stove top, dishwasher, and spacious pantry. Adjoining is the bright and airy casual living and dining space, from which sliding doors open onto the rear garden. Outside, summer days will be whiled away under the covered alfresco, adjacent to an easy-care garden and lawn area with side gate access. Whether you're entertaining or simply relaxing after a day at the beach, this space will no doubt be the place for kids to play and parents to relax. Out the front, an established garden and stone and iron fencing create an eye-catching entrance to this brick-and-tile home. Even better, kids will love the hop, skip, and jump to East Butler Primary, as well as a short walk to Butler Primary School. Mitchell Freeway access is a few minutes' drive, while Quinns Beach and dog beach are just over five minutes by car.
