This quirky older style well maintained home would be perfect for multiple generations living under the one roof or perhaps two couples to share. The ground floor includes 2 bedrooms, 1 bathroom, laundry area, kitchenette, large open living (soon to be airconditioned), small private balcony out the back and direct access to the single lock up garage/man shed. Upstairs offers a very similar floor plan but boasts a full size kitchen and some sea glimpses from the balcony. Open plan lounge is already airconditioned and the master bedroom is soon to be airconditioned as well. Plenty of options for off street parking at the front and easy care lawns around the back. Most of the yard is fenced and pets will be considered on application. Only a short walk to Cannonvale Beach, Cannonvale State School and Whitsunday Shopping Centre. This property will not last long.
