With a house characterised by its gorgeous, modern style and a location that blends the convenience of city life with the peace and quiet of the adjacent bushland views, 1 Queensbury Close is where city style meets country tranquillity. Situated on a quiet cul de sac on what is literally the edge of town, this family home is simply stunning in its features and inclusions. Close to the top of that list must be the master bedroom, which has been complemented by an enormous walk-in wardrobe and a stunning en suite. The kitchen, with its elite appliances and walk-in pantry, is a chef's delight, and opens out onto a central living area that is drenched in sunlight and enjoys luxurious vaulted ceilings. An additional lounge room offers a further option for relaxation, as does the secluded alfresco entertaining area. The fully landscaped 708-square-metre block is elevated and enjoys great views, and has been thoughtfully planted with trees and hedges that are sure to enhance the outlook in the years to come.
