- Louvred windows let in cooling breezes, assisted by split-system AC
- Double lockup garage features integrated laundry and built-in storage

Revealing contemporary finishes within its stylishly presented interior, this appealing abode is entirely ready to move in or rent out, making it the perfect prospect for first home buyers, young families and investors. Accented by easy neutrals and sophisticated grey tiled floors, the home feels at once instantly inviting and utterly cohesive as you step inside. Here you find a well-planned, spacious layout, where modern living is as effortless as it should be. At its heart, open-plan living creates a relaxed, welcoming vibe, providing seamless interaction with the gorgeous kitchen. Setting bold red backsplash against sleek grey cabinetry and white stone benchtops, the kitchen impresses further with modern appliances and a breakfast bar lit by chic pendant lighting. From here, the space opens out seamlessly onto a lovely verandah, where it doesn't take much to imagine time spent enjoying family BBQs or long, lazy afternoons with friends. Adding further appeal is another large verandah on the other side of the home, framed by an impressively generous yard. Fully fenced for privacy, the grassy yard is perfect for kids and pets - and could easily accommodate a pool, should you choose to add one (STCA). As for sleep space, the master is joined by two further well-proportioned bedrooms, serviced by a spotless ensuite and main bathroom. Meanwhile an integrated laundry within the double lockup garage adds even more convenience. The package is completed by gated access at the side of the block, providing handy parking for a boat or caravan. With a playground and park nearby, it's also only moments to MacKillop Catholic College, and around five minutes' drive to central Palmerston's shopping, dining and entertainment hub. Act fast to avoid disappointment! Arrange your inspection today.
