Providing a high quality of life and beautifully presented for sale, this perfectly positioned three-bedroom entertainer provides peace of mind. Located in the upmarket area of Highlands Estate and showcasing towering ceiling heights, large expanses of glass and sumptuous floor coverings, when it comes to the home's continuous-flow layout, natural lighting is in no short supply. An upscaled kitchen/living/dining zone is incredibly relaxing and intimate. The gourmet kitchen showcases a dining island, smooth stone surfaces, clever cabinetry, premium appliances plus a walk-in pantry. Sliding doors roll back to reveal a well-designed outdoor area that's an extension of the living and dining zones, providing extra space to entertain and relax. Perfectly positioned to soak-up the natural-look gardens, enjoy your morning coffee out here or a glass of wine with friends. A bright and airy primary bedroom suite features a walk-in robe and a deluxe ensuite, while two additional bedrooms both come with built-in robes and share another ultra-modern bathroom. Other highlights and creature comforts include a pristine laundry, ducted gas heating, split-system air conditioning as well as a double remote garage with rear access via Wattletree Street. Infinitely stylish and surprisingly spacious, stroll to parkland, well-serviced bus routes, supermarkets, excellent schools and childcare centres. **DISCLAIMER** The vendor, agent and agency in preparing this information have used our best endeavours to ensure that the information contained therein is true and accurate but accept no responsibility and disclaim all liability in respect of any errors, inaccuracies or misstatements contained herein.
