Located on a generous 766sqm corner block in a quiet pocket of Farrar, is this beautifully presented ground level, three bedroom, two bathroom family home. This home has been given some recent loving and is complete with a brand new kitchen, including all cabinetry and appliances. The laundry has also received a makeover, whilst the rest of the internals have been repainted and refreshed. The lounge and dining areas both flank the kitchen and ensure the cook is engaged with the rest of the family, and all this flows out onto the undercover rear patio. All bedrooms offer space enough for queen beds and are equipped with split system air-conditioning and built in robes, whilst the main bedroom affords the additional benefit of a private ensuite. The main bathroom has also benefited from a recent makeover and presents with a separate bath tub and shower, making it ideal for families with little ones. The large wrap around yard offers ample space for the kids and pets to run around. The corner block location and dual access also presents an opportunity to build your own garage/workshop, whilst still leaving ample yard space. This home offers an opportunity to get into the property market without having to spend any extra.
