This house is a must to inspect with 3 good sized bedrooms all with ceiling fans and built-in wardrobes plus a generous study. The large master bedroom offers a walk-in robe, ensuite, air conditioner and opens out a covered patio area. The property also boasts large and separate lounge dining rooms, timber floors throughout, gourmet style kitchen with plenty of bench and cupboard space and gas cooking. With this house you can take full advantage of Gold Coast living with a large covered patio area which is fully screened and opens out the private pool area and a gazebo. This home also provides a double lock up shed and double carport which as its open separate entrance. Along with all the amenities that this home provides it has a great location with shops, a day-care centre, walking tracks and only a short hop, skip and jump to the water and boat ramp. Be quick to arrange an inspection as this property will lease itself.
