To discover this home please watch the property video. Step into a world of vintage charm and elegance with this unique single-story cottage home in Castle Hill's prestigious Castlewood Estate. Impeccable architectural details and a lush garden create a captivating ambience that seamlessly blends the past with the present. From the moment you arrive, you'll be enchanted by the pearly white gates, Parisian lantern, and leadlight doors and windows that define this vintage gem. Nestled in a tranquil setting, this cottage offers the kind of peace and privacy that's rare to find today. Surrounded by lush gardens and mature trees, it's your personal oasis—a place where you can savour the harmonious sounds of nature every day. Featuring:

- The warm embrace of natural light fills every room. The cottage's thoughtfully designed layout allows sunlight to cascade in, creating a bright and inviting atmosphere that you'll adore from sunrise to sunset
- The cottage's unique character shines through in every room. Chandeliers with vintage style ceiling medallions create a classic elegance. The textured ceilings in the kitchen and wallpaper lined ceiling in the hallway are unique and timeless.
- Meticulously designed, this home boasts an original washstand vanity, pressed metal walls in the bathrooms and the lower walls of the front entry/hallway. The house exudes character with its timeless timber floors
- Cedar panelled walls and French doors in the main living room leading to a sunlit deck infuse the home with timeless elegance, perfect for those who appreciate classic beauty. A combustion fireplace keeps you cosy in the winter months
- The generously sized bedrooms offer a peaceful retreat at the end of the day, conveniently located near the main bathroom
- Elegantly appointed, the master suite features a private ensuite, bay window, unique ceiling mouldings and curtains that frame a beautiful outlook for you to relax
- At the front of the house, enjoy a serene garden oasis. Step outside to a beautifully maintained garden featuring original fruit trees, maintained hedges and century-old pine and jacaranda trees, creating a private retreat for relaxation. Enjoy nature with the native birdlife
- To the right side of the house as you walk in, step through the leadlight doors onto your charming patio, where you can sip your morning coffee or host alfresco dinners under the stars. The garden blooms with flowers and provides a private escape where you can unwind and recharge
- The double-car garage, boasting two separate door entries and a pitched roof, offers versatile potential for conversion into a studio or workshop
- A unique feature of this property is that it boasts two driveways and two beautiful timber decks seamlessly blending indoor and outdoor living
- Additional features include air conditioning, laundry, combustion fireplace, storage sheds, stone seats, pots and ponds in the garden
