\$715,000

This brand-new home was built by well renowned local builders Ronald Young in 2022, comprising three bedrooms, two bathrooms, study, and garage, proving a fantastic opportunity for first or second home buyers or investors looking to add to their portfolio. Set at the entrance of the popular 'Whitestone Point' land subdivision, this beautifully presented home offers elegance and low maintenance living. The master bedroom is spacious, and light filled, flowing into a large walk-in wardrobe and expansive ensuite, featuring an open shower, floating vanity, and tiles throughout. The additional two bedrooms comprise built-in wardrobes, with large, double-glazed windows throughout the entire home. The large open-plan kitchen, living and dining room is light filled, and flows onto the rear courtyard. Timber flooring expands through the living rooms and hallway, with carpet in the bedrooms. There is gold trim through certain parts of the home, adding an elegant feel. The home is heated and cooled by a ducted air-conditioning system. There is a single garage with an additional off-street park on the driveway, fully fenced yard providing a sense of security and confidence for young families. Whitestone Point land subdivision in Austins Ferry is in close proximity to walking tracks, amenities, schools and services. Only a five-minute drive from Claremont Plaza and twenty-minutes from Hobart CBD.
