Here is a great opportunity for someone to buy a low maintenance three bedroom brick veneer home in the picturesque town of Terang. Set within walking distance to the town center, school and sporting facilities this home has a lot to offer. The home has recently been re-carpeted, painted inside, has new light fittings and the bathroom has been renovated. There are three bedrooms, two with built in robes and a room outside that could be used as a fourth bedroom. The kitchen/dining room is spacious and the kitchen has a dishwasher and a gas hot plates and an electric oven. Central gas heating and a split system air conditioner heat/cool the home. Outside there is a double car port, a double garden shed, security shutters on all windows, automatic sprinkler system and a 6kw solar system. The garden area is low maintenance and has good fencing around the property. Well worth an inspection.
