Situated in an elevated and quiet enclave of Kiama, this vacant parcel of land captures beautiful views over East's beach to the east with sweeping rural vistas and rolling green hills of Saddleback mountain ranges. This vacant block is one of the remaining lots and the hottest buy at the moment! There is a lapsed DA for a beautiful three bedroom, two bathroom and two living area home available for your viewing. Kiama is one of the most sought after towns on the South Coast - a family friendly destination with beautiful beaches and endless outdoor and water based activities. Whether you enjoy surfing, swimming, fishing, playing golf or prefer to relax at a local café.... it's all right at your fingertips. Less than 2km drive from the heart of Kiama, boasting a generous 561sqm block is ideal for your dream home. Registered and with services all connected they are ready for you to start building. With land this size in short supply and so close to Kiama centre, this presents a unique opportunity to build the dream home in a unique location, an opportunity like this just can't be missed!
