Within walking distance to Stanthorpe CBD and the beautiful Quart Pot Creek parklands and pathways, this cute and quaint cottage has the charm of a traditional weatherboard home. There are 3 bedrooms, one of which has a built-in robe, central lounge with open fireplace, a sunroom or sleepout and a modern bathroom with toilet, shower and vanity plus a second toilet at the rear of the home. The kitchen with electric stove overlooks the big backyard and has a view of the iconic Post Office clock and Mount Marlay. The cottage has recently been upgraded, repainted and features floorboards in the living areas and french doors in the bedroom. The furniture can also be available for sale and any future airbnb bookings can come with the property if desired. Call the exclusive agents at Crisp Real Estate to arrange an inspection.
