Only a Stones throw from Bede Polding College and Caroline Chisolm schools.. Sits this beautifully renovated 4 bedroom 2 bathroom home on a 563 square metre block of land.The modern renovation has focused on lifestyle and living with large open plan living areas and a sophisticated modern kitchen with glass splashback.The large living areas then spill out onto the relaxed under cover entertaining deck which makes summer entertaining easy as the raised deck looks out over a large backyard with no rear neighbours.The 4 bedrooms are large, and the master suite is extra large and has the benefit of a huge walk in robe and generous ensuite. As we get closer to summer you will be able to enjoy the air conditioned comfort all year round...and speaking of comfort there is a huge double garage with automatic doors and a very handy internal access so you will never be stuck out in the rain.Contact South Windsor's number 1 sales Team Adam Buchert and Michael Orehek today.
