Tucked away in a quiet street of South Sussex is where you will find this brick veneer gem. This master-built home has been thoughtfully designed with large and inviting living areas, the dining area is adjacent to the beautiful timber kitchen and opens on to a shady verandah that wraps around two sides of the home and offers great spaces for outdoor entertaining and relaxing. Three of the four bedrooms have mirrored built-in-robies while the primary bedroom has its own ensuite and the main bathroom features shower, tub and separate toilet. An extra-large double garage with workshop space is secure from the rest of the home and there's even an outdoor bathroom to wash off. This leafy location is just an easy 550m stroll to Sussex Inlet Lions Park where you can launch your boat, practice fishing from public jetties or sit back and take in the scenery of the beautiful waterways while the kids play in the park. Afterwards cross the reserve to enjoy a meal and even more great views from the local Bowling Club. This quality home would shine with a fresh coat of paint and some modernising touches but is ready for new owners to love and enjoy now. Call John or Unity today to inspect!
