Presenting a stunning, quality built home ready to captivate your senses! This impressive residence offers three bedrooms plus a dedicated office, an en-suite bathroom, and air conditioning in the master bedroom. With its ultra-modern kitchen and expansive entertaining patio, this home is designed to provide ultimate satisfaction. The contemporary style of this home is truly cutting-edge, featuring surfaces that are easy to maintain and require minimal upkeep. Nestled on a corner plot, this spacious abode maximizes its location, complete with a privacy fence that complements the overall aesthetic. Prepare to amaze your guests with the generous entertainment space created by effortlessly opening the double bi-fold doors between the living area and the patio, seamlessly blending indoor and outdoor living. The master bedroom offers a walk-in-robe and a large, impeccably stylish ensuite. Bedrooms 2 and 3 come complete with built-in robes, and stainless steel ceiling fans have been thoughtfully installed. Quality fixtures and fittings are apparent throughout, ensuring a luxurious living experience. Enjoy beautiful views from the patio, and rest assured with the fully fenced and turfed yard, providing both aesthetics and security.
