An impressive choice and certainly a property that is easy to say yes to! This lovingly cared for home is located on a great sized allotment of 1038sqm and boasts a large list of features. There have been clever renovations made to the property to highlight entertaining areas. The kitchen has been beautifully renovated and overlooks the outdoor entertaining space that has been wonderfully upgraded for all-weather entertaining. The home is certainly not short on storage with extra spaces at every turn. All 4 bedrooms include BIR's while the master also includes an ensuite. Outside - the yards are neatly presented and there is gated access to the rear where lies a quality insulated workshop with electric roller door, concrete & power. The property also features solar and 22,000L rainwater storage plumbed to the home. One certainly not to be missed, call now to inspect.
