Set on a beautiful 923sqm block of land, this incredibly special property has so much to offer. An A-frame design that sets it apart from the pack and a wonderful chalet feel that is a charming way to live. LIVING HERE Every day feels like a getaway in this home with two levels of unique living. It's unlike anything else on the market right now. Check out the floor plan for the full details of how this home is configured, because you won't get the complete picture just from looking at the photos. There's a real warmth to this design, created by the use of timber, the configuration of the living area, and the feeling that this has been a much-loved family home. The main bedroom is downstairs, next to the beautifully styled, modern bathroom. Head upstairs to bedrooms two and three. These rooms are fantastic, offering various possibilities to work with the space on offer. It's such a beautiful outlook from here, with all kinds of beautiful greenery. The home looks across the valley and the hills, and the garden on the property creates a beautiful backdrop to life in this home. The separate studio is an awesome feature, making a great games room or work-from-home space. You might even be able to convert it to ancillary accommodation. The options are tremendous. Outdoor living here is beautiful, with the big gazebo that features drop-down screens to increase the enjoyment and comfort of this space. In addition to all of that, there's a freestanding garage for parking and a tool shed section at the back of that. WHERE IT IS This is a beautiful location, but it's also incredibly convenient. Just a couple of minutes walk down the hill, you will find the highly respected Armadale Primary School, great coffee, and organic food at The Organic Circle Cafe. There are parks, walking trails, and all kinds of conveniences just around the corner. It's a prime location!
