Surrounded by lush tropical gardens and showcasing stunning modern interiors, this impressive north facing residence provides an enviable lifestyle of tranquility and absolute privacy. Thoughtfully designed and constructed by highly regarded builders 'Castlepeake' in 2004, this is a rare turn key offering in a tightly held enclave. Features include: Perfect northerly aspect, soaring high ceilings, bathed in year round sunshine. Stunning open plan living flowing to large deck with expansive district views. Modern island gas kitchen with integrated appliances, internal laundry. Multiple living zones, open fireplace, ducted reverse cycle air-conditioning on all levels. King size master suite with walk-in robes and ensuite bathroom. Established easy care tropical gardens and lawn, room for pool. STCA Back to base security, network cabling throughout. Double undercover carport, ample storage. A unique family home with design elements inspired by Frank Lloyd Wright, this is triumphant living that will suit families of all ages.
