What a great opportunity to either reside in yourself or invest in the very desirable suburb of Koorringal. Competitively priced, this three bedroom home offers comfortable living for the whole family in a quiet residential location. All bedrooms have built in robes, a large separate lounge room has ample space for all and the separate dining area gives additional room again. A renovated kitchen takes a lot of hard work away and provides the family chef with modern appliances, plenty of cupboard space and bench space to work with. Polished timber floors throughout and reverse cycle heating and cooling add to the charm and comfort of the home. Single lock up car accommodation with massive storage and workshop area. Ideally located close to both primary and secondary educational facilities, Koorringal Mall, day care facilities and medical centres.
