Defined by thoughtful, generous design, elegant appointments and a prime position, this two bedroom plus study apartment is something special. Polished floorboards immediately distinguish a flowing kitchen/meals/living, which flaunts stone surfaces harmonising with quality appliances. A wide glass aspect leads out to a deck, introducing the easily maintained courtyard, while the superbly spacious open study alternatively makes an ideal second living space. Sizeable bedrooms host built-in robes, the bathroom boasts both a shower and separate bath and a concealed laundry adds convenience. Guarded by a secure entrance and enhanced by heating/cooling, covered parking and a storage cage, the home enjoys a street-fronting position. A stroll to Hayes Park, transport and schools, it's within easy reach of vibrant High Street cafes and shops, ensuring an enticing lifestyle just waiting to be savoured.
