\$395,000 - \$430,000

Start within steps of the sand in One with sun and style like you've never seen before! First-floor in a classic mid-century beachside group, this sun-bathed north-facing one bedroom apartment is reimagined for today in big brilliant style! Showcasing a state-of-the-art renovation, this impeccably renovated apartment stars a prestige appliance and mirrored-glass splashback kitchen with a brushed-brass sink, matt-black tapware and smart slimline dishwasher. The designer bathroom has the same designer edge too - a wall-hung stone-topped vanity, mirror storage and a super-sized shower. Cleverly detailed with hard-wearing hybrid wideboard floors (perfect to sweep away the sand) and streamlined blinds including dual e-screen and block-outs for front facing windows (to manage sun and privacy), this reverse-cycle air conditioned apartment is sized up with room for full lounge and dining settings in all-day sun, a clever space for laundry facilities, and tall bespoke-fitted robes as a place to keep all the clutter! Sea-breeze and sun-filled with carport parking at the door, this sun-bathed mid-century single is ready for today within daily steps of the sand, a weekday dash of soon-to-be revitalised Parkdale strip and station, and a weekend wander to Mordialloc's booming beachside shopping and restaurant scene. For more information about this stylish sun-filled single contact Wesley Belt at Buxton Mentone on 0418 310 753
