Auction - If Not Sold Prior

Claiming a rare North facing position with beach and sand views is this expansive 3 bedroom unit in the quality Tasman Building. Fantastic beach lifestyle with this amazing location and all the services within easy walking distance. Leading through the open plan design that flows freely from space to space, the floorplan features an oversized central living area that looks across to Dee Why beach. There is plenty of room to relax peacefully, bask in fresh coastal breezes or entertain guests round the dinner table. A lovely benefit of this property is the spacious three bedroom configuration that caters to the needs of various demographics. Located inside an immaculately maintained building with lift access from your oversized, secure under-building double garage, the wonderful appeal of living here doesn't just stop inside. Head outside and it's only 150m level walk to Dee Why Beach and ocean pool as well as the scenic coastal walk directly across the road. Stroll down the street where you'll also be greeted by vibrant cafes, cool bars, trendy coffee shops and the glittering surf of Dee Why Beach itself. Large windows and sliding doors all round maximise the openness. Endless natural light from the sunny North aspect illuminates the interiors. Flow to the sizeable balcony overlooking the beach and beyond. Elegant gourmet kitchen has stone finishes and quality appliances. Three large and airy bedrooms all include built-in wardrobes. Master ensuite plus private modern bathroom. Internal laundry/storage room and level lift access. Generous double lock-up garage plus storage options. This is an amazing walk-to-everywhere address in the heart of Dee Why Beach and perfect for the discerning buyer looking to downsize* Auction - On-Site, Sat May 11 if not sold prior
