This oversized and light filled apartment has just undergone an impressive renovation and will provide the ideal lifestyle for those wishing to upsize or downsize. The home offers three double sized bedrooms plus a separate TV room to complement the generous living area. No expense has been spared with the works carried out and the stunning kitchen with butler's pantry & stainless steel appliances is surely a highlight. With proportions more in keeping with that of a house, this spacious property also incorporates an abundance of clever storage throughout. Ideally located within a five minute stroll to Turrumurra train station, shops and cafes, this is an opportunity not to be missed.

- Superb renovation in a small full brick complex of 12 apartments with only one adjoining wall and basking in sunlight all day
- Welcoming entrance and hallway leads to generous living area opening to an enclosed sunroom
- Gourmet open-plan kitchen and stainless steel European appliances
- Spacious internal laundry with storage
- Large walk-in pantry
- Master bedroom opens onto a small balcony and has walk-in robe and stylish en suite
- Two additional double bedrooms with built-in robes, plus TV room or study.
- Main bathroom has floor to ceiling tiles, a free standing bath and separate shower
- Two remote controlled lock-up garages with room for work bench, bikes and storage
- Just a few minutes easy walk to shops, cafes, restaurants and Turrumurra railway station
