\$627,500

Whether you're an investor or someone looking for an easy, low-maintenance life by the water, this Point Road apartment delivers on location, design and comfort. The thing we love the most? Those breathtaking views across the whole lake. Well-tended gardens and plenty of paved parking signify you've arrived at the Wrestpoint Apartments. Number 10 has its own dedicated garage space, securely locked behind a roller door for your peace of mind. Up the stairs and into the apartment itself, entry is into the open plan living and dining area. Carpets and ceiling fans ensure your comfort here, and there is ample room for relaxing or entertaining. Sliding glass doors lead out to the expansive balcony, where those delightful water views will add a spark to your day! Adjoining the dining is the contemporary kitchen, a modern space offering plenty of room for culinary exploits. You will love the reliable stainless-steel appliances, including a dishwasher, electric cooktop, rangehood and oven. The kitchen leads into the laundry space, a handy touch you don't often find in these complexes. The two generous bedrooms both have built-in robes, ceiling fans and lush carpets. They enjoy easy access to the main bathroom, where you'll find a separate shower and bath, toilet and vanity adorned in eye-catching tiling. Just a short drive down point road to the main strips of both Tuncurry and Forster, all amenities and services you'd need are on your doorstep here. Woolworths is a three-minute drive, and there are plenty of restaurants and cafes to choose from too. What's more, the beaches, parks and outdoor attractions that are so popular in this area are all within easy reach. Does this opportunity appeal? We're here to tell you more about it!
