Situated very close to the Sunbury Township, this unit is so close to all the action but still situated in a quiet complex. Being close to schools, public transport within walking distance and to mention shops and everything Sunbury has to offer. This property offers two good sized bedrooms filled with beautiful natural light, a living area that is central in the unit perfect for sitting back and relaxing or watching a movie with some friends! The entire unit has been freshly painted and brand new carpets have been installed. The kitchen is still spacious with a view to the outside gardens, the rear courtyard is a good size and privacy isn't an issue, being low maintenance also it should tick all the boxes. With heating and cooling also. This one won't last long so give us a call today on 03 9744 2244. \*\*Photo ID required at ALL open for inspections, please call prior to ensure they are still proceeding\*\*
