Nestled into the iconic 1940s Sheridan Close development this tastefully renovated two bedroom apartment is only a stones throw from the delights of Prahran, Albert Park, South Yarra and of course the C.B.D with direct access to Fawkner Park. Securely located on the first floor the apartment features entrance hall leading to a modern kitchen with stainless steel appliances, dishwasher, ample storage and appealing breakfast bar. The two well proportioned bedrooms both showcase built in robes and an abundance of natural light, the master complete with ensuite bathroom. The generous living room easily accommodates separate living and dining spaces and is complemented by a north facing balcony, added storage and a discrete European laundry. Other features include: a central contemporary bathroom, polished timber floors throughout, sun drenched window seat and designated undercover car space. Take advantage of the rare opportunity to secure a blue-chip property in one of St Kilda Roads few remaining Art Deco gems.
