Well set back from Hampton Street's village vitality, this north facing one bedroom plus study top floor security apartment lets you escape from the action in sunny, spacious style. Enjoying an inviting feeling of warmth and comfort, this radiant apartment reveals a light bathed living and dining area extending onto a sun splashed alfresco balcony, a super sized kitchen with Blanco stainless steel appliances, a big bedroom with built in robes, a private enclosable study, a spotless bathroom and European laundry. Taking in a wonderfully wide aspect to the north highlighted by the historic primary school, this unique apartment is complemented with reverse cycle air conditioning, an intercom and secure undercover parking. In this boutique old bakery development, a heartbeat to café culture, fine dining, wine bars, the city train, gym studios, essential services and the Woolworths supermarket, while a short stroll to Castlefield Reserve and Hampton Beach.
