The best position in the block, providing ideal privacy and the independence of a staircase that leads only to its entrance, complements this bright, inviting apartment where the presence of beautifully renovated kitchen and bathroom spaces delivers distinctive flair. A living room accompanied by a sunny balcony is totally separate from the dining area and the kitchen's elegant cabinetry, designer splashback and stainless-steel appliances. The bathroom's totally re-configured contemporary appeal adds to the attraction of two double bedrooms, each featuring built-in robes, in an apartment further enhanced by a study zone, timber flooring and the sun's natural warmth. Designated car parking applies the perfect finishing touch to a smart start or intelligent investment close to Footscray station, vibrant shopping, cool cafes and quick, convenient city access.
