An immediately impressive design by multi-award-winning MIM Design brings luxury and lifestyle to one of Kew's most prized positions in this elegant two-bedroom two-bathroom townhouse. Facing north at the rear of secure Elsfield, its beautifully finished accommodation showcases the meticulous attention to detail for which the practice is renowned with a range of premium appointments, careful consideration for natural light and an easy indoor/outdoor connection all intentionally designed to enhance everyday life. Superbly spacious living and dining areas are defined by an open study nook with built-in desk, built-in media storage and multiple windows that ensure abundant natural light and leafy outlooks throughout with a wall of glazing drawing back to undercover entertaining and a lush, landscaped courtyard garden. An open plan kitchen designed for timeless appeal features stone benchtops including an expansive peninsula perfect for preparation or entertaining, smeg appliances, and extensive integrated cabinetry and drawer storage. Upstairs, two bright bedrooms with excellent built-in robes enjoy their own zones, the main with ensuite, the other served by a full-size central bathroom with bath and independent shower. Further highlights include fully tiled bathrooms with storage, European laundry, hardwood timber floors, ducted heating/cooling, intercom security, two car basement parking and additional storage. Walk to Cotham or Burke Road trams, Genazzano and Carey Grammar, renowned Deepdene Primary, Kew Cricket Ground, and local cafes with minutes to other top private schools, both Camberwell and Kew Junctions and Balwyn shopping.
