A private corner in an enchanting parkland complex plays host to this immaculate 3-bedroom home, mixing a classic mid-century facade with an open-concept layout primed for easy living. Traditional blonde bricks and a curved lounge window deliver a compelling first impression, filtering northern sunlight into a vast living and dining space highlighted by timber floors and high ceilings with decorative cornices. A stone-topped kitchen encourages social interaction whilst serving all with stainless steel appliances and abundant cabinetry, sweeping out to a terrace amongst whimsical cottage gardens wrapping around to the rear. The large main bedroom features extensive robes and a granite-topped ensuite, supplemented by a matching bathroom, toilet and full-sized laundry. Evaporative cooling, ducted heating, and a double garage complete the home's features, whilst the complex features a cute gazebo and parkland gardens ideal for enjoying the warmer weather. A central position sits near Flinders College, Padua College, and Tyabb Railway Station Primary School, public transport options, chic village cafes and antique parlours, just a short drive from Westernport Highway and Mornington Peninsula Freeway access.
