Quiet and secure in the area's most prestigious riverside neighbourhood, this first class residence sits in a prized Toorak gated complex, offering lifestyle appeal beyond compare. Partially renovated, with great scope for investment or further transformation, the spacious interior is immediately welcoming and unexpected. Open plan living and dining areas command attention as you step into the home, capturing incredible city views to the west, with plenty of room for two living areas - each with independent balcony access. Overlooking the Melbourne skyline, the stone bench kitchen is accommodated by European appliances and delivers a wealth of storage, including an adjoining laundry. Three good sized bedrooms include the main with city views, and a third bedroom/study, all with built-in storage and split system. The updated bathroom features a bath and separate toilet, with additional highlights including an intercom and a single carport. Moments from Toorak Village, trams, the Yarra River and premium schools, this lock and leave leafy residence offers a premium lifestyle opportunity on the city's doorstep.
