Hidden away from the road, this light bathed, two bedroom ground floor apartment gives you the ultimate lifestyle where St Kilda, Windsor and central Melbourne meet, letting you lap up the sunshine from its full length north facing courtyard. Complementing its natural warmth with the coolness of European Oak floors, this swish retreat reveals a vogue open plan living and dining area with a sliding glass door to the paved alfresco courtyard, a seamless white kitchen with stainless steel appliances, two chic bedrooms each with built in robes, a spotless bathroom and a separate laundry. Ideal as an inner city base or investment with flexibility to work from the second bedroom, this urban sensation is equipped with roller blinds, reverse cycle air conditioning in each room, video intercom and lift access to a storage cage and secure basement parking. Incredible for its position so close to St Kilda Junction, footsteps to diverse cafes scattered along Fitzroy Street, Chapel Street, High Street and along St Kilda Road plus a host of tram routes, catch the Grand Prix or enjoy your 4.8kms (approx.) circuit around Albert Park Lake, catch the train at Windsor station, or catch a moment of peace enjoying the beautiful sand and sea at St Kilda Beach.
