Centrally located on Ballina Island and at the end of a quiet cul-de-sac, 10 Acacia Place is within walking distance to shops, schools and clubs and has all the room you need for a growing family! The cottage has had an extension to create a wonderful master bedroom with high ceilings, loads of space with a light and airy feel. A great bonus is the completely separate 9.8m x 3.8m studio in the back yard, again with high ceilings and lots of natural light, making it perfect for all manner of pursuits. There is vehicle access down the side of the property to the rear yard and room enough to build a large shed or put in a pool so you can further enhance the property to suit your needs. • Timber floors in living/dining area • Only 400m to Cherry Street Sports Club • Under 600m to shopping centre • Ceiling fans and robes in bedrooms • Side vehicle access to large fully fenced rear yard • Separate studio out the back
