Sublimely situated, this superb three bedroom, two bathroom home is a brilliant base flaunting generous living spaces, impeccable appointments, excellent entertaining credentials and a fully tiled swimming pool. Looking out to the sparkling solar heated pool, a gourmet kitchen, living and dining zones are bathed in light. Quality appliances from Miele, Franke and Fisher & Paykel meet with waterfall stone and a walk-in pantry, setting an elegant scene, while a retreat/4th bedroom and versatile attic studio enhance family harmony. Relaxing decks, a balcony and bluestone entertainer's patio, with electric awning, make the outdoors just as tempting. Bedrooms include BIRs/a WIR and share a gleaming family bathroom with shower and separate bath, complemented by an ensuite, while there's also a powder room and extensive storage. Extras include Micro cement flooring, hydronic heating, zoned air conditioning, security features, attractive gardens and off-street parking for three. A short stroll to Johnson Park and transport, close to vibrant High Street, popular Fairfield Village and schools, it's zoned to Northcote High in a highly desirable neighbourhood.
