With Range views to Dulong Plateau from the patio and living areas, this home really will be your very own piece of paradise. This compact home is set on 561m², with a good sized, fully fenced yard, ideal for the fur babies and the double side gate access is a bonus for trailers etc. The current owners love that when their adult children visit, they can all park out front and off the street. What you will love, will be the amazing outdoor entertaining area, overlooking the yard, with a view and automated roll down blinds the warmer Summer days. The heart of the home is the Living Area: combined living & dining, overseen by the chef friendly kitchen, with plenty of bench space, large pantry and abundant natural light. The generous size Master Bedroom is located away from the living area and secondary bedrooms whilst featuring a Walk in Robe and Ensuite. Bedrooms 2 and 3 are great sizes also, each with built in robes. But wait there's more! Solar Power, Solar Hot Water, air-conditioning to the living area AND all bedrooms plus Security Screens all the way round. Please Note: If you have previously been looking for a Duplex, this is ideal also - duplex size with the privacy of your own yard. *Disclaimer: Whilst every effort has been made to ensure the accuracy of these particulars, no warranty is given by the vendor or the agent as to their accuracy.
