Rarely do we see 5 bedroom family homes in this price range and with a sensational location in East Sale. There is so much to like here. A northerly aspect lights up the formal lounge and dining area which is adjacent to the impressive kitchen that offers plenty of preparation space. All 5 bedrooms are a generous size with the master boasting a stunning ensuite. Gas heating and split system air conditioning heat and cool the home. Outside is highlighted by a huge casual entertainment area perfect for the kids to play in whilst the yard is secure and private. A double garage with remote door accommodates the vehicles. Top value for money!
