Situated in the family friendly suburb of Holloways Beach is this solid brick, three bedroom home. All bedrooms have built in robes, air conditioning and ceiling fans. The home has a very large bathroom with separate toilet. The spacious open plan living and dining area opens onto a large patio and the servery window in the U-shaped kitchen makes for easy entertaining. The pool is an essential in this tropical climate. The home is fully screened and the property is fully fenced with lots of room for play. A wide driveway and undercover carport allows for off street parking for 4 cars. This home is situated 1.2 kms from the beach and cafes and is a similar distance from the local Spar supermarket. The CBD is 10kms away as is Cairns Airport. This home is great as is but it also has the potential to value add an ensuite as the bathroom and laundry areas are huge. Like the add says its a solid family home !! Call or email now to inspect.
