Situated on an easy care flat block, this low maintenance brick home home has a great list of features, and the location to match. The renovated kitchen boasts quality stone bench tops, a dish washer, and plenty of storage space as well as a convenient dining space for your family meals. Heated by a recently installed reverse cycle heat pump, the living area has both a formal living space as well as a sunny sitting room, not to mention the private decking that is perfect for an afternoon beverage. All three bedrooms are a good size, with the master bedroom being extra large and features an en-suite with walk through wardrobe. Outside is easy care, and includes a paved back yard, a spacious lock up garage with remote roll-a-door as well as a large carport, high enough for a caravan or boat!
