**\$650,000**

Perched high on the hill with expansive views across Lismore, this bright and welcoming Lismore Heights home is set to impress. Boasting character features such as polished hardwood floors, ornate cornices and picture rails, this home beautifully combines its original charm with modern conveniences. The massive covered verandah is truly the centrepiece of this home, where you can entertain your guests or enjoy a bit of quiet time while you take in the impressive views. To the east is a large open patio area, where you can watch the sunrise or enjoy a cuppa in the winter sun. Bi-fold doors from the verandah lead you to into the living room, which has its original fireplace. Through the central dining room you'll enter the kitchen, which is bright and modern, with dishwasher and views out to the leafy courtyard. All three bedrooms have air-conditioning, and the master opens out to the verandah and has its own stylishly renovated ensuite. The family bathroom has also been refreshed and has a bathtub, shower, and the laundry. The 607sqm block has been landscaped for easy maintenance, and under the house is a single carport plus a workshop. Situated on a road with no-through access, you'll enjoy a bit of privacy while still being close enough to all the facilities of the CBD. To arrange your viewing of this fantastic home, contact Rob Horder 0439 135 125.
