Hot on the market is 10 Beta Street - a charming 3-bedroom home that seamlessly combines comfort and convenience. For those who love to entertain, this property boasts an undercover entertainment area overlooking a sparkling in-ground salt pool. Additional features include a powered garden shed that offer storage space for tools and equipment. The property is fenced, dividing the front and back, along with a solar hot water system. The large, carpeted lounge area boasts split system air conditioning with adjoining dining room with lino flooring and ceiling fan. The heart of the home lies in its well-appointed kitchen, complete with a double stainless sink, dishwasher, and a combined dining area. All three bedrooms are thoughtfully designed with built-in wardrobes, ensuring ample storage space for your personal belongings, split system air conditioning to the master and ceiling fans throughout. The bathroom is equipped with a shower over the tub, and a separate toilet. Internal laundry downstairs with back door access! Don't miss the opportunity to make 10 Beta Street your new home!
