What happens when over a decade of building expertise meets the highest quality of structural planning and engineering? This oasis in the heart of North West's most prized suburb is what happens. A love letter to the art of home craftsmanship, this architectural masterpiece has everything to offer and does not shy away one bit. Sitting on 2000 sqm, the 100 internal squares (approx.) with three separate lounge areas on all three levels, 5 bedrooms, 6.5 bathrooms and 6 vehicle parking spots. This is only topped by the bottom to top void which opens up the entire home to a grand view of the resort style pool and an undisturbed bush backdrop which surrounds the home. Located a stone skip away from local shops and cafes, this home is positioned thoughtfully to accommodate those who value the joys of a lavish lifestyle North Kellyville has to offer
