Nestled at a high elevation within a peaceful cul-de-sac, this neatly presented three-bedroom home offers comfort and convenience in a family-friendly neighbourhood. The heart of the home features an open plan living area, kept comfortable year-round by a reverse cycle air conditioner, perfect for both cozy winters and cool summers. The original kitchen is equipped with electric cooking appliances, a dishwasher, and a breakfast bar, ideal for casual meals and morning coffee. Each of the three bedrooms are well-appointed with built-in wardrobes, ensuring ample storage space for all your needs. A standout feature is the luxurious bathroom, boasting a large enclosed steam shower alongside a spa bath, providing a private retreat for relaxation and rejuvenation. The separate laundry room adds practicality, with direct access to the carport for ease of use. The final feature is that the property is solidly built on a cement slab, ensuring durability and peace of mind. Along with the connected carport, outdoor features include a large shed/workshop area for hobbies or storage, along with an additional garden shed, perfect for gardening enthusiasts or extra storage needs. You will also find large cemented areas at the back, which are perfect for entertaining in those Summer months. This property is a complete package, boasting both functional living spaces and spectacular views. Don't miss out on this incredible opportunity to own a serene retreat in a coveted location. Come see why this should be your next home!
