Positioned only one hundred metres from the idyllic Musk's Beach in Opossum Bay, this striking modern residence offers the quintessential beachside lifestyle. With clean exterior lines and a beautifully landscaped yard, the home has immense street appeal. Once inside, the home delivers a versatile floorplan that provides multiple living zones across its two levels. On the lower level as you enter is a spacious secondary living area with a built-in study, and two spacious double bedrooms, serviced by a central main bathroom. The second level offers an open plan lounge-dining area and access to a substantial deck with views overlooking the River Derwent, the Mount Wellington Ranges and more, and is the ideal spot to enjoy the sun until the end of the day, by virtue of its westerly orientation. Throughout, you will find a high-quality fit-out that includes bespoke joinery, stone benchtops, NEFF appliances, fully tiled bathrooms, alarm system, and double glazing. Outside the property is fully fenced and has been beautifully landscaped with garden beds and lawns that require only minimal maintenance. Situated an easy 35-minute drive south of Hobart, this coastal community is home to a mix of permanent and holiday residents. Walk beautiful sandy beaches, enjoy far reaching water views and enjoy sunlight to end of each day. Close to the local store and an easy commute to renowned Hill Street Grocer in nearby Lauderdale, Foreshore Tavern, schools, and other conveniences. This is one of Hobart's most loved beachside settings.
