\$274,000

Nestled within a tranquil neighbourhood, this vacant block of land is a rare find. Offering a generous 696-square-meter flat corner allotment, it presents a blank canvas for your dream home. With captivating views overlooking a serene waterway and all essential services readily available, this property seamlessly combines convenience and natural beauty. The flat topography ensures an effortless construction process, while the corner allotment configuration grants you privacy and design flexibility. Whether you're envisioning a family haven or an architectural masterpiece, this land is the perfect foundation for your dream residence. Don't miss this exceptional opportunity; inquire today to make it yours.
