This townhouse sounds like a wonderful place to live! With a master bedroom featuring a walk-in robe and ensuite, as well as two additional bedrooms with built-in robes, it offers ample space for a comfortable lifestyle. The kitchen with a stone bench top, dishwasher and stainless steel appliances adds a touch of elegance, while the adjoining lounge provides a cozy living area. The inclusion of a central bathroom with a separate toilet, a powder room, and a European laundry enhances convenience. Plus, having a single garage with internal access is always a practical feature. Being so close to a local park/playground is a great bonus for outdoor activities and relaxation. It sounds like a fantastic opportunity for anyone looking for a modern, convenient, and comfortable living space!
