Well positioned on a large 1176m² allotment is this very neat brick veneer home boasting a full verandah. This well built brick veneer home is light filled and comprises 4 bedrooms with a fully renovated bathroom and ensuite. A large living zone with timber floorboards, wood heater and reverse cycle, keeping the home tempered through the seasons. A spacious kitchen and dining zone that looks out onto the entertaining space and yard, completes this very functional floorplan. The verandah has been renovated with new merbau boards, which gives the home a stylish look upon entry. The property also features a double garage with rear door exit to the yard, solar power and established gardens. Other features include ceiling fans, fresh exterior paint work and LED lighting provides modern updates from the original build. This is a very comfortable family home and will suit a buyer looking for a well-built home that has last the test of time.
